We've done our dangdest to put out this annual and here are the results of our applied efforts. We've written, written, and re-written until we couldn't find anything else to plagiarize. Teddy has been very patient with us in our endeavor to portray school life.

Much credit and thanks are due Miss Dorothy Lommel, a graduate, who has sacrificed her own time to tactfully animate Teddy in our annual.

Want to know where Teddy popped from ? ? ? Well, the little tiger does not really exist in life—but in spirit. He came into existence one day in the staff room.

We were laboring over a theme for this book, when we struck upon the idea of letting some one or some thing represent each phase of school life. The only logical answer was a tiger. And for a name, well, we just called him Teddy. This is the first year Teddy has lived with us in L. C. H. S. so let's give him a chance to show his stuff and not be TOO critical.

Now, Teddy gives you the honor of turning the pages and seeing his curriculum of pleasant days in Lawrenceburg Consolidated High School.

A MESSAGE FROM THE SUPERINTENDENT:

As graduates of an institution of learning you are challenged to remember that your creeds of today determine your deeds of tomorrow. In true education, emphasis is placed not only upon the usual measures of scholastic progress but also upon reliable indices of educational achievement, general ability, and special aptitude along with judgments relating to physical and social maturity.

Many youth will be called into the armed forces prior to the completion of their formal educational program. These should continue their education while in service by taking advantage of the opportunities provided by the Army Institute and other such agencies.

Citizenship education continues to be indispensable long after graduation. A democracy can be strengthened only by a better citizenship. As citizens of a great democracy we must have faith in the future and must share in the responsibility of that future.

A MESSAGE FROM THE PRINCIPAL:

High school days lie between the period of irresponsibility and the years of greatest achievement. The high school period is a period of exploration during which young men and women find or attempt to find the type of work for which they are best suited. Decisions must be made and should be made with a high degree of deliberation. Your success in college or in any line of work you may pursue after graduation from high school will be determined largely by the grade of work done, the study habits formed, and the ideals acquired in high school.

When you graduate we will not think of you as leaving us; but, on the contrary, of joining us, of becoming an important factor in your high school alumni association and your community.

As the months swiftly pass, we, the Senior Class of '43, make our plans for graduation. Looking back over the four years spent in L. C. H. S., we think of the good times, sorrows, and pleasant occurrences which we had encountered.

As freshmen, there were 94 of us to get under the feet of the upperclassmen. After much teasing and bluffing, we became self-sufficient. By the end of the year we had lost our traditional timidity and had acquired the confidence necessary to finish our high-school career.

In view of our distinguished services and outstanding accomplishments throughout our first year in L. C. H. S., we were promoted to the rank of sophomores. Now, instead of 94, 76 of us looked down upon the freshmen. This year passed rapidly and successfully without a mar on our already high standards.

At last—we were upperclassmen! Discarding our youthful trivialities, we began to feel the urge of achievement with the thought of the Junior-Senior Prom foremost in our minds. Using our

The Class of '44 has shoved aside one more obstacle in it race toward graduation. These former freshmen were, in their day, as green as could be; but as the sophomore year commenced, things began to prosper and the year sailed along quite smoothly. On senior day at the end of the year when the seniors sang "Goodby Sophomores," they sat bravely through the song oblivious of the consequences and then sang back to the nobility. Oh, yes, this Class has changed for the best!

Now they are juniors and working hard to earn money enough to royally entertain the Class of '43 with the biggest annual event of an upperclassman's two years—the Junior-Senior Prom.

School pencils with schedules on them were first on their list. In all the halls, juniors were stationed with stacks of pencils and if a person got past 'em without buying one he was slicker than the rest of us. Next the colorful potholders, which ambitious individuals made with zeal and zest, flashed on sale. No home in town was complete without some of these necessities. Of course, the juniors were seen at every basketball game of the season—carrying cokes, candy, and ice-cream to the grateful fans.

All in all, this has been a successful and progressive year. As it draws to a close, the class looks ahead and sees that only one more hazard—the senior year—remains in its path for graduation. Here's hoping you clear it with ease.

They deserve a lot of credit for their very successful semester party at which every one had a delightful time. Credit is due them for their willingness and readiness to cooperate in all school functions. They're a swell bunch of kids, never griping at being the in-betweens, but waiting for the day to come when they, too, can take a part in helping to remind you of their past conduct.

We will ever remember the Sophomore Class of '43. "Enflamed with study of learning and the admiration of virtue. Stirred up with high hopes of living to be brave and worthy patriots. Dear to God and famous to all ages."

Next year, these undistinguished members of our school will suddenly rise from obscurity into the glory of being Juniors. Good luck, Sophs! May you have as many good times and as much success as in your previous years.

The Freshman Class of 1943 will long be remembered in the history of L. C. H. S. as a class that broke the tradition of the "Green Freshies."

They came into our midst, 97 in number, and overwhelmed us all by coming in first in our "Victory Scrap Drive." Then at the dance following the "Drive" they turned out in full number to be the honored guests of the winning. Yes, these students certainly have made the idea of "Green Freshies" look ridiculous.

Now don't get the idea that this group just goes to dances given by other classes. No sirree! They sponsored a dance themselves with orchestra and all. And when the tea dance was held to get money for the Mile of Dimes, these Freshmen were the ones who livened up the afternoon.

All in all, their first year spent in L. C. H. S. has been a tremendous success and we expect to see them all back again next year working just as hard to make the rest of the students proud to have them as Sophomores.

In 1942 our school was greatly honored when some 9 students were made members of the National Thespian Dramatic Honor Society. Since that date 18 more have been initiated into this nation wide organization.

The Thespian Society for high school was established for the purpose of furthering the cause of dramatics in secondary schools and creating an active and intelligent interest in dramatics among high school boys and girls.

DRAMATICS CLUB

Only members of the Dramatics Club who have earned enough points through hard work in play productions are entitled to become honorary members of the National Thespian Dramatic Honor Society. There are yet 46 students who are striving for this achievement.

Thespian affiliation places our school among those which are today doing outstanding work in dramatics. It is positive that dramatic standards here are above average and that a sincere desire exists to make further advancements in the field of drama.

In the fall, the Boy's Glee Club and the Choir accompanied by the Glee Club's soloist, Richard Horn, gave one of the most memorable concerts which has ever been heard. These groups appeared for the last times in 1943 at Baccalaureate, Commencement, and the "Salute to the Seniors".

The director and his department were greatly elated when they were informed that L. C. H. S. was to be the host to the Annual Choral Festival in April.

TEDDY'S CALENDAR

Sept. 8—School started—as if you didn't know it! Many of us were startled as we walked into the building for the halls and many of the rooms were painted. Now we don't have to stare at those white walls all day as each room is painted a pastel color. I particularly noticed that cool restful shade of green in the library—just made for sleeping.

Sept. 9—Well, we really buckled down to work—assignments in every subject.

Sept. 10—Football Rally.

Sept. 11—Our first football game of the year and what a game. Tigers 20, Aurora 0.

Sept. 24—Sophomore class meeting. Election of officers. Junior class meeting. Election of officers.

Sept. 25—First assembly of the year. Mr. Benedict introduced new teachers and then said goodbye before leaving for the Navy. The Lettermen's Club presented him with a cup.

The responsibility of working for teachers is put into the hands of students belonging to the National Youth Administration. The N. Y. A. students work hard to gain the teacher's confidence and develop their own initiative. Although there are not many members this year, those who do belong always appreciate that check which is sent monthly to them directly from the United States Treasury. This work is valuable experience and training for the invidual who is willing to work.

Now during war time, the Red Cross is one of the most important projects in which the school has participated. Each home-room is represented by one student who is a member of the Junior Red Cross Council. This organization is under the capable sponsorship of Miss Small and has done much throughout the year, such as bringing in coat-hangers and magazines, making utility bags, and holding a Tea Dance, the proceeds of which went to the Red Cross.

Hail, hail, the gang's all here
Right behind the Tigers.

The gang behind the Tigers of L. C. H. S. is the Boosters Club. The members work faithfully with officers, yell leaders, and the sponsor. It is their cooperation in yelling that seems to be all it takes to boost a losing team. They are right in there at all games and really give out with all their energy. The club has learned many new yells this year. There are about one hundred and fifty students in Boosters Club and every one does his part in showing good sportsmanship. This club has grown much since the year it was organized. It has more than proved its value and also its indispensibility under the sponsorship of Miss Small.

Mrs. Volland—My Tour of Europe

Mrs. Smith, former teacher of L.C. H. S.—My Experiences of Living Among the Eskimos in Alaska

The Austrian Archduke from the Austrian Battalion at Camp Atterbury, Columbus

This new club has been very successful, and everyone appreciates it's appearance in our school.

The Lettermen's Club was organized a few years ago for the purpose of promoting good sportsmanship and fair competition in high school athletics. The members consist of boys who have earned a letter in some sport played at this school.

Since last year, several boys have earned their coveted letters and have been accepted as new members. Those boys are: George Klopp, Paul Schmidt, Fred Graf, Bill Snyder, Jim McCool, Mike Hafenbritle, Ray Fox, Jerry Gray, and Dick Kaffenberger. Klopp, Snyder, McCool and Hafenbritle are not on the Lettermen's Club picture above.

Although the Lawrenceburg Tigers were heavy favorites in the sectional, they failed to click in the final game. This game proved to be one of the most exciting tourney games in years.

The Tigers had a fairly good season winning 12 and losing 6. They placed fourth in the Southeastern Conference.

LAWRENCEBURG 33; AURORA 32

The annual Aurora-Lawrenceburg game was at the height of its rivalry as the Tigers came out the winners.

The Devils, under a new coach, Earl Overman, got off to a whirlwind start with a one time 16-5 lead over the Tigers. The Bateman five, fighting their hearts out, narrowed their lead to a 20-16 half time score in the Devils' favor.

Both teams, going full force, came to a 32-32 deadlock in the fourth quarter with only 50 seconds to go when "Scaldie" Todd hit for the winning point from the charity strip.

Todd was high for Lawrenceburg with 12 points.

LAWRENCEBURG 29; VEVAY 44

Showing the after effects of a two week's vacation, the Lawrenceburg Tigers lost their famous horseshoe in Vevay in the Pioneers' gym. This horseshoe is a symbol of friendship between the two teams.

LAST MINUTES INSTRUCTIONS

Coach Bateman instructs and inspires the Fighting Tigers on to victory and to good sportsmanship.

"When the one great scorer comes
To write against your name,
He writes not that you've won or lost
But how you've played the game."

THE FAMOUS "BENCH"

Only two minutes till the final gun and four of the first team rest after 30 minutes of hard playing.

They show only eagerness even on the "bench."

One minute yet . . . who has the ball . . . opponent shooting . . . wait there goes the gun . . . the Tigers won.

We're the fight-fight-fighting Tigers
From down on the O-hi-o . . .

LAWRENCEBURG 20; BATESVILLE 18

Coming back from their Vevay defeat, the Lawrenceburg team turned back the Batesville Bulldogs at Batesville. The Tigers, using a zone defense, got away to a 6-1 lead; and although Batesville managed to tie the score twice in the last half, the Tigers always regained the lead.

"Scaldie" Todd led the scoring for the Tigers with 9 points.

This marks the first time in several years that a Lawrenceburg team has defeated a Batesville team on the latter's floor.

LAWRENCEBURG 53; NORTH VERNON 33

By defeating North Vernon at Lawrenceburg, the Tigers broke the jinx that had always held the Panthers superior to Lawrenceburg. This was one of the biggest upsets of the season, as the Tigers were earlier defeated by this same ball club.

Sparked by the brilliant play of "Snake" McWethy, the Tigers had no trouble in turning back the Panthers in the local's gym. Lawrenceburg led 27-15 at the half and 38-23 at the third quarter.

McWethy led the Lawrenceburg team with 22 points.

EAT EM' UP TIGERS

No yelling is at its height until those cheer-leaders hop to the floor—and then—look out!

Vivian McGranahan, Patsy Leiendecker, and Don Powell, full of pep and action, have led the Boosters and loyal fans through a year of successful cheering.

A moment of anxiety! The whistle blows!

Here a Tiger and a Devil take to the air for the first tip off of the big Lawrenceburg-Aurora game.

In a Game Now and Then . . . But Alas . . . the Little Fellow . . . Always Ends

The Tiger Cubs enjoyed one of their best seasons in the new gym. The Cubs lost only 4 games while winning 14.

The starting five was composed of Barker, Gray, Denning, E. Snyder, and Farrar. These boys along with the rest of the team have played good ball and show promise for the coming season.

G. A. A.

The Girls' Athletic Association has been a very successful school organization during the year of '42-'43. It boasts of a membership of 51 girls who are all active in at least one of the following sports: basketball, softball, decathlon contests, volleyball, archery, hiking, bowling, and bicycling. Basketball has been the most popular of all these sports, and two tournaments were played in it yearly.

Several pins and letter awards have been given to girls earning 400 and 700 points, respectively, for participation in the various sports.

Sweaters were awarded earlier in the year to three senior girls—Patsy Leiendecker, Marihope Wood, and Donna Mae Roland—all of whom are in line for trophies at the completion of earning 1500 points.

INTRA-MURAL

Sportsmanship, interest in athletics, and making friends is the ultimate result of the Intramural program of our high school. The boys who are unable to qualify for varsity sports are given an opportunity to participate in this program.

This year Mr. Volland and Mr. Bateman sponsored the Intramural Association in which basketball was the most popular sport.

Annually, an all star team is selected from all the players. This team then plays the second team in the preliminary of a varsity game. This year the all stars were defeated by the varsity seconds 22-18.

Also a tournament was held among the class teams. The same two teams, Junior A and Junior B, met for their second consecutive year. Junior B won for the second time.

SOFT-BALL

Prospects for the softball season this fall seemed unusually bright with the return of eleven lettermen. Besides the regulars (seniors and juniors) there were many promising sophomores and a few freshmen. The season did not get started, however. Due to the war very few schools organized their teams and when gasoline rationing became effective, those that did plan to play dropped the sport.

The teams follows—with positions denoted by OF, outfield; INF, infield; P, pitcher; and C, catcher;—Christian-P; Todd-OF; McWethy-INF; Grey-OF; Fox-P; Kaffenberger-INF; Rockwell-C; Lacy-INF; Kirsch-OF; Nanz-C; Farrar-OF; Wood-OF; Schmidt-OF; Kittle-INF; Collins-INF.

The team this year was to have been coached by Mr. Bateman.

FOOT-BALL

Under the able coaching of Dave Batthauer, football made its second appearance in the L. C. H. S. athletic program. This year was a good one, and the students are anticipating already the coming season.

The team managed to place second in the southeastern conference behind the Madison Cubs. Since this was the first year for high school football in this section, many of the schools were afraid to participate in this sport. Thus only three teams—Lawrenceburg, Aurora, and Madison—made up the conference.
